AMENDMENT UNDER 37 C.F.R. § 1.111

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated January 30, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel claims 1-18 without prejudice or disclaimer.

In claim 26, line 7, delete "at".

Please add the following new claims:

31. A device for generating a downward stream of molten metal, the device comprising:
a drive source;
a drive shaft having a first end connected to the drive source and a second end;
an open impeller having a plurality of outwardly extending blades and a
connective portion formed therein for attaching the impeller to the second end of the drive shaft,
wherein at least one of the plurality of outwardly extending blades includes a portion that directs
